Such Supplemental Declaration must impose an annual maintenance charge assessment on the property covered thereby, on a uniform, per lot basis, substantially equivalent to the maintenance charge and assessment imposed by this Declaration, and may contain such complementary additions and/or modifications of the covenants and restrictions contained in this Declaration as may be applicable to the additional lands.

ARTICLE FOUR - GOLDENWOOD PROPERTY OWNERS' ASSOCIATION, INC.

1. CREATION. The Association has been formed for the purposes, charged with the duties and vested with the powers prescribed by law or set forth in the Articles of Incorporation and Bylaws thereof. Neither the Articles nor the Bylaws of the Association shall, for any reason, be inconsistent with the provisions of this Declaration. 2. MEMBERSHIP.

(a) Every Owner (including the Declarant) of a Lot within the Subdivision shall automatically become a Member of the Association.

(b) Membership shall be appurtenant to and shall not be separated from Lot ownership. Membership shall be in accordance with the Articles and Bylaws of the Association.

3. VOTING RIGHTS.

(a) Each Lot shall be entitled to one (1) vote on all matters subject to voting approval of the Members of such Association; provided, however, that in the event of the resubdivision of any Lot, the number of votes to which such Lot is entitled shall be increased as necessary to retain the ratio of one (1) vote for each lot resulting from such resubdivision. No resubdivision shall be effective, for purposes of these Restrictions, unless the same is approved both by the Committee and by the appropriate governmental entity in accordance with the requirements of Article 974a, Texas Revised Civil Statutes, and duly recorded in the Plat Records of Hays County, Texas. In the event of the consolidation of two (2) or more Lots for purposes of construction of a single residence thereon, voting rights shall continue to be determined according to the number of original Lots contained in such consolidated Lot.

(b) When more than one person or entity holds an interest in any Lot, all such persons or entities shall be Members. The vote for such Lot may be exercised as the Owners thereof mutually agree, but in no event shall the vote for such Lot exceed the total share vote to which each Lot is entitled as herein provided.

(c) Any Member in default in the payment of any assessment or the performance of any obligation imposed by this Declaration shall not be entitled to vote at any meeting of the Association so long as such default remains in existence.

(d) Notwithstanding anything to the contrary contained herein, until such time as Declarant has sold and conveyed seventy-five percent (75%) of the Lots in the Subdivision, each Lot owned by Declarant shall be entitled to two (2) votes on all matters subject to voting approval of the Members of the Association.

ARTICLE FIVE - MAINTENANCE AND ASSESSMENTS BY PROPERTY OWNERS' ASSOCIATION

1. MAINTENANCE. The Association shall maintain, preserve and operate the Association's Common Properties, including any security devices owned or leased by the Association, to the extent and the effect that the Association's Board of Trustees deems appropriate from time to time. The Association's responsibility to preserve Common Properties shall include, without limitation, an obligation to pay all taxes assessed against such Common Properties.

2. ASSESSMENTS ESTABLISHED. Each Owner of any Lot in the Subdivision, by acceptance of a deed and/or contract for deed therefor, whether or not it shall be so expressed in such deed and/or contract, is deemed to covenant and agree to pay to the Association: (i) monthly assessments or charges and (ii) any additional assessments which may be levied as the result of any maintenance expense incurred by the Association pursuant to Article Five, paragraph 7 or Article Seven, paragraph 26 of this Declaration. Such assessments shall be established and collected as hereinafter provided.

3. PURPOSES OF MONTHLY ASSESSMENTS. The regular monthly assessments levied by the Association shall be used exclusively to maintain, preserve and operate the Association's Common Properties for the benefit of its Members. Such purposes shall include, but not be limited to: providing utility services to Common Properties; paying ad valorem taxes on Common Properties; providing for the maintenance of streets, roads, thoroughfares and bridges which have been completed but have not been accepted by the appropriate governmental entity for maintenance; maintaining and operating security devices for the benefit and protection of Owners of Lots; maintaining and preserving Common Properties; and creating reasonable reserves for the future maintenance, preservation and operation of Common Properties.

4. AMOUNT OF MONTHLY ASSESSMENTS. The Declarant shall establish an initial budget for the Association; thereafter, the Association shall make a reasonable effort to establish a budget on or before December 1st of each year for the following calendar year. Such budget shall include an estimate of all expenses and reserves for which such Association shall be responsible. A monthly budget shall then be obtained by dividing the total estimated amount by twelve (12) months and the resulting monthly budget shall be prorated among the Members of such

Association by way of monthly assessments in accordance with the provisions of this Declaration. The initial monthly assessment as fixed by Declarant for each Lot subject to assessments shall be five dollars (\$5.00). The maximum monthly assessment for each Lot shall be as provided in the Bylaws of the Association.

5. UNIFORM BASIS OF ASSESSMENTS. Monthly assessments shall be fixed at a uniform basis for all Lots in accordance with Article Five, paragraph 11 hereof and may be collected on a monthly basis.

6. DATE OF COMMENCEMENT OF MONTHLY ASSESSMENTS; DUE DATES. The monthly assessments provided for herein shall commence on the first day of the first month following the conveyance of such Lot from Declarant to an Owner, and shall continue thereafter at the discretion of the Association. The initial monthly assessment to be levied by the Association shall be as fixed by Declarant in Article Five, paragraph 4 hereof; thereafter, the Association's Board of Trustees shall fix the amount of the monthly assessment against each Lot at least thirty (30) days prior to January 1st of each calendar year and written notice of the amount of the Association's Board of Trustees shall be sent to the Owner of every Lot subject thereto. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association stating whether or not the assessments on a Lot have been paid.

7. SPECIAL ASSESSMENTS. The Bylaws of the Association shall provide that a special meeting of the Members may be called as therein provided in the event that a natural disaster or other occurrence should cause loss or damage to the Common Properties, the proper repair or replacement of which Common Properties would exceed the Association's budget. At any regular or such special meeting, two-thirds (2/3) of the Owners may vote for the establishment and collection of a special assessment against all Lots in order to accomplish such needed repair or replacement within a reasonable period of time, provided that no special assessment may be established or collected for purposes other than as set forth above without the unanimous approval of all Owners voting.

8. PERSONAL OBLIGATION AND LIEN; REMEDIES OF THE ASSOCIATION FOR NONPAYMENT. There is hereby imposed a continuing lien on each Lot in the Subdivision to secure the payment of any assessment authorized hereunder, including any assessment resulting from maintenance expense incurred by the Declarant or the Committee pursuant to Article Five, paragraph 7 or Article Seven, paragraph 26 hereof, and such lien shall, to the fullest extent permitted by law, bind such Lot or Lots in the hands of the then Owner, and such Owner's heirs, devisees, personal representatives, successors and assigns. Any assessment authorized hereunder not paid on or before the date due shall be deemed delinquent. Each such assessment, together with interest, costs, and reasonable attorney's fees shall also be the personal obligation of the Owner of such property at the time when such assessment falls due. If an assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the due date at the rate of ten percent (10%) per annum, and the Association may either (i) bring an action at law against the Owner personally obligated to pay the same, or (ii) foreclose said lien against the Lot, or (iii) both; and, in such event, there shall be added to the amount of such assessment interest as provided herein and all costs of collection, including reasonable attorneys' fees. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of any Common Property or security device or by abandonment of such Owner's Lot.

9. SUBORDINATION OF THE LIEN TO MORTGAGES. The lien to secure payment of the assessments provided for herein shall be subordinate to the lien of any first mortgage on a Lot. Sale or transfer of any Lot shall not affect the validity of an assessment lien hereunder. The sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall, however, extinguish the lien to secure payment of such assessments which become due prior to such sale or transfer. No sale or transfer shall relieve the purchaser of such Lot from liability for any assessments thereafter becoming due or from the lien securing the payment thereof. No extinguishment of any lien shall relieve the delinquent Owner from his personal obligation and liability for payment of the assessments therefor secured by that lien.

10. EXEMPT PROPERTY. The following property subject to this Declaration shall be exempt from the assessments, charges and liens created herein:

- (i) All property dedicated and accepted by any local governmental authority and devoted to public use; and
- (ii) All Common Properties; and
- (iii) All Lots owned by the Declarant, provided, however, the Declarant shall have the obligation to pay from time to time, such sums as Declarant, in its judgment, determines to be its pro rata portion (based upon the number of Lots owned by Declarant) of the expenses paid by the Association from the assessments authorized hereunder.

11. CALCULATION OF ASSESSMENTS BY LOT. The ratio of the assessments made against each Lot by the Association shall be the same as the ratio of one (1) to the total number of Lots in the Subdivision subject to such assessment. The "total number of Lots" shall initially be the number of Lots shown on the original recorded plat of the Subdivision, but such total shall be subject to modification in order to reflect any future phases. An Owner may consolidate two (2) or more Lots for the purpose of constructing one single-family residence thereon; provided, however, that in the event of the consolidation of any two or more of the original Lots, such consolidation shall in no event have the effect of reducing the assessment due thereon, and such assessment shall continue to be based upon the number of original Lots contained in the consolidated Lot. No diminution or abatement of assessments shall be allowed or claimed for inconvenience or discomfort arising from the making of repairs or improvements to the Common Properties or from the construction, relocation, installation or repair of security devices, or from any action taken to comply with any law, ordinance, or order of a governmental authority.

ARTICLE SIX - ARCHITECTURAL AND PROTECTIVE COMMITTEE

1. CREATION. An Architectural and Protective Committee (hereinafter sometimes referred to as the "Committee") shall be designated and composed of three (3) members, to be appointed by Declarant. The following persons are hereby designated as the initial members of the Committee: Randall Ashelman, Amy Moss, and Robert Shaw. Each member of the Committee shall serve for a term of two (2) years, unless such member sooner resigns by giving written notice of resignation to the remaining members of the Committee, or is removed at the direction of Declarant or its successors and assigns. The Committee shall serve at the pleasure of the Declarant, its successors and assigns, and a member of the Committee may be removed for any reason. When ninety percent (90%) of the Lots in the Subdivision are sold, Declarant shall delegate the authority to appoint members of the Committee to the Association by written notice, after which time the Board of Trustees of the Association shall have the right to appoint and remove members of the Committee.

2. SUBMISSION AND APPROVAL OF PLANS AND SPECIFICATIONS. A copy of the construction plans and specifications, including exterior views, exterior materials, colors and elevation; a site plan showing the location of any proposed structure or improvement; a landscaping plan; soil percolation test data; and any other information or documents which may be required by the Committee shall be delivered, together with any review fee which is imposed by the Committee in accordance with Article Six, paragraph 3, to the Committee at the offices of Goldenwood Properties, Inc., 2806 Nueces, Austin, Texas 76705, or such other address as may hereafter be designated in writing from time to time, not less than thirty (30) days prior to the date construction on a Lot is to be commenced. No structure or improvement, including but not limited to buildings, fences, walls, landscaping, pools, exterior lighting fixtures, security and emergency communications systems and radio-television antennae, shall be placed or altered on any Lot until the plans and specifications therefor and the builder which the Owner intends to use to construct the proposed structure or improvement have been approved in writing by a majority of the members of the Committee. The Committee may, in reviewing such plans and specifications, consider any information which it deems proper, including, without limitation, any permits or percolation tests which may be required by the Committee or any other entity; information relating to the question of whether any proposed improvement would unreasonably obstruct the view from neighboring Lots; harmony of external design and location in relation to surrounding structures, topography and finished grade elevation; and the identity of the builder which an Owner proposes to use to construct the proposed structure or improvement. The Committee may postpone its review of any plans and specifications submitted for approval pending receipt of any information or material which the Committee, in its sole discretion, may require. A copy of the construction plans and specifications and a site plan showing the location of the proposed structure or improvement, if approved, shall remain in the possession of the Committee until the Subdivision is built out in its entirety. Site plans must be approved by the Committee prior to the clearing of any Lot or the construction of any improvements thereon. The Committee may refuse to approve plans and specifications for proposed improvements on any grounds which, in the sole and absolute discretion of the Committee, are deemed sufficient, including, but not limited to, purely aesthetic grounds. In reviewing plans and specifications, the Committee shall consider, but not be limited by, the purposes set forth in Article Two of this Declaration.

3. ADOPTION OF RULES. The Committee shall have the authority to adopt such procedural and substantive rules, not in conflict with this Declaration, as it may deem necessary or appropriate for the performance of its duties hereunder. In addition, the Committee shall have the power and authority to impose a reasonable charge not in excess of \$100 as it deems necessary or convenient for the review of plans, specifications and other documents and information submitted to it pursuant to the terms of this Declaration. Such charges shall be held by the Committee and used to defray the administrative expenses incurred by the Committee in performing its duties hereunder; provided, however, that any excess funds held by the Committee shall be distributed to the Association at the end of each calendar year.

4. ACTIONS OF THE COMMITTEE. The Committee may, by resolution unanimously adopted in writing, designate one or two of its members or an agent acting on its behalf to take any action or perform any duties for and on behalf of the Committee, except the granting of variances as hereinafter provided. In the absence of such designation, the vote of a majority of all of the members of the Committee taken without a meeting shall constitute an act of the Committee.

5. FAILURE TO ACT. In the event that any plans and specifications are submitted to the Committee as provided herein, and the Committee shall fail either to approve or reject such plans and specifications for a period of twenty-one (21) days following such submission, no approval by the Committee shall be required, and approval of such plans and specifications shall be presumed; provided, however, that such twenty-one (21) day period shall not begin to run until all information required to be submitted by the Committee to assist in its review of any plans or specifications has been received by the Committee. Any failure of the Committee to act upon a request for a variance hereunder shall not be deemed a consent to such variance, and the Committee's written approval of all requests for variances shall be expressly required.

6. VARIANCES. The Committee may grant variances from compliance with any of the provisions of this Declaration or any Supplemental Declaration hereinafter placed of record, including, but not limited to, restrictions upon height, Size, shape, floor areas, land area, placement of structures, setbacks, building envelopes, colors, materials, or land use, when, in the opinion of the Committee, in its sole and absolute discretion, such variance will not be adverse to the overall development plan for the Subdivision, and such variance is justified due to visual or aesthetic considerations or unusual circumstances. All variances must be evidenced in writing and must be signed by at least a majority of the members of the Committee. If a variance is granted, no violation of the covenants, conditions, or restrictions contained in this Declaration or any Supplemental Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such variance shall not operate to waive or amend any of the terms and provisions of this Declaration or any Supplemental Declaration for any purpose except as to the particular property and in the particular instance covered by the variance property and in the particular instance covered by the variance, and such variance shall not be considered to establish a precedent for any future waiver, modification, or amendment of the terms and provisions hereof.

7. DURATION OF APPROVAL. The approval or consent of the Committee of any plans and specifications, whether by action or inaction, and any variances granted by the Committee not stating a different period of effectiveness shall be valid for a period of three (3) months only. In the event construction in accordance with such plans and specifications or variance is not commenced on a Lot within such three (3) month period, the Owner of the Lot shall be required to resubmit such plans and specifications or request for a variance to the Committee, and the Committee shall have the authority to re-evaluate such plans and specifications in accordance with this Article and may, in addition, consider any change in circumstances which may have occurred since the time of the original approval thereof.

8. NO WAIVER OF FUTURE APPROVALS. The approval or consent of the Committee to any plans or specifications for any work done or proposed in connection with any other matter requiring the approval or consent of the Committee shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any plans and specifications, or other matter whatever, subsequently or additionally submitted for approval by the same or a different person, nor shall such approval or consent be deemed to establish a precedent for future approvals by the Committee.

9. NONLIABILITY OF COMMITTEE MEMBERS. Neither the Committee, nor any member thereof, shall be liable to any Owner or to any other person for any loss, damage or injury arising out of the performance of the Committee's duties under this Declaration, unless such loss, damage, or injury is due to the willful misconduct or bad faith of the Committee or its member, as the case may be.

1. LAND USE AND BUILDING TYPES. All Lots shall be used only for single-family residential and recreational purposes in accordance with these covenants, conditions and restrictions, and no building or improvement shall be erected, altered, placed or permitted to remain on any Lot except as authorized under the terms and conditions hereof.
